PROJECT *CONTEXT*

The **BRISWA 2.0** project seeks to address racism in higher education from a systemic perspective. The project believes it's possible to teach about antiracism by developing tools for students to explore racism in all its shades

AIMS OF THE PROJECT

The aim of the BRISWA 2.0 project is to provide an in-depth understanding of how racism manifests itself and establish an HE course to combat it, especially in sport"

It promotes inclusion and diversity in education, emphasizing innovative teaching methods

The project underscores the significance of informed engagement to address racism and advocates civic participation in combating it.
