

# PROJECT *CONTEXT*

Racism remains a significant problem in various aspects of society, including sports, despite previous efforts to address it. This is highlighted in reports such as the White Paper on Sport and similar European documents. Issues include under-representation of black, Asian and minority ethnic groups at events, instances of racism among athletes of all ages and institutional racism within organizations.

Co-funded by  
the European Union

## AIMS OF THE PROJECT

The project aims **to adress** these **issues** by promoting inclusion and diversity in education, fostering innovative teaching practices, and offering students a course to better **understand** and **combat racism**. The project emphasizes the importance of informed engagement in addressing racism and encourages civic participation to combat this harmful phenomenon.
